NOTICE OF PRACTICE CLOSURE

January 2018

Dear Patients:

After much consideration, I decided that it was time to close my family practice. The office is now permanently closed. I have enjoyed being your family physician and it has been a privilege to assist with your health issues. I have enjoyed many good friends in the practice; patients, staff, and colleagues, but the time has come to move on.

Finding a New Doctor

As you may know, there exists a shortage of family doctors in Ontario. The following physicians have agreed to take on some of my patients, and they are in this building. Please contact:

- Dr. M.S. Parikh - 416-755-2285
- Dr. Dev Maragh - 416-755-7111 (family and walk-in)

You are free to go to a physician of your choosing, assuming they are accepting new patients. You can also try contacting *Health Care Connect*, to locate a new health care provider. You can reach them at 1-800-445-1822.

Medical Record (Important)

I am required to keep all original clinical records of my patients for a specified period before they can be shredded. We have contracted with **RSRS** (Record Storage & Retrieval Services)*, a physician-managed facility, to store the records from my practice and to transfer a certified copy of your file upon your instruction. **I strongly urge you to obtain a certified copy of your personal medical history from RSRS so that you have it for yourself and for another physician when you need it.** This information is important for your continued care and may not be available to you or your next healthcare provider otherwise.

Please obtain your medical record at:
www.recordsolutions.ca/DrWu
or call RSRS at
1-888-563-3732, Ext.1

(Please note that there is a fee for the copying and transferring of medical records, but it is not prohibitive.)

Please remember that when you go for tests or see a specialist, you must provide the name of your new family doctor, if you have one. Effective immediately, Dr. Wu is no longer responsible for your test results.

It has been a great pleasure being your physician and I wish you and your family the much health and happiness for the future.

Sincerely,

Sing Man Wu MD.

* RSRS is a fully compliant, physician-managed medical records facility.
